

Prix Révélation

SAIF x La Kabine

2026

An Arles-based photography prize for emerging talents, Prix Révélation SAIF x La Kabine was awarded by Voies Off and SAIF from 2013 to 2019. Relunched in 2024 to mark the return of Festival OFF Arles Photo, Prix Révélation SAIF x La Kabine aims to promote an inclusive, respectful and ethical photography prize for everyone. It supports the new generation of photographers by promoting original or less exposed projects.

La Kabine and SAIF are pleased to announce that applications are now open for the 2026 edition of the Prix Révélation Saif x La Kabine, as part of the 3rd edition of Festival OFF Photo Arles.

With a total value of €5,000, this prize will award the winner with €2,000 and the chance to be exhibited during the next edition of the OFF Festival. Furthermore, 30 finalists will be selected to present their work through a projection during La Nuit de l'Émergence, held on the opening week of Festival OFF Arles Photo in early July 2026. Each finalist will also receive €100 in copyright royalties for the presentation of their project.

Entries will be reviewed by a jury of photography experts and professionals, who will select the winner and finalists from a shortlist compiled by a panel of specialists within the cultural network of La Kabine association.

The 2026 jury brings together leading figures from the world of photography and visual arts. The jury members will be announced soon.

The selection will focus on new perspectives and creative approaches that spark imagination and expand the dialogue around contemporary photography. Projects will be assessed on thematic relevance, aesthetic quality, and originality.
